RE: Piedmont Natural Gas Company, Inc.
 Notice of New Natural Gas Construction Project
 Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "of any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to install a new regulator station at the Spartanburg Transco Interconnect to feed a new 16-inch distribution line. In addition, the existing Line 353 which is currently an 8-inch transmission line will be downgraded to operate at distribution pressure. This line will also be fed by the new regulator station. This project F0232036 is in Spartanburg and Piedmont expects to complete construction on this project by September 30, 2021.

By copy of this letter, Piedmont is also notifying the ORS of this construction pursuant to S.C. Code Ann. Reg. 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

/s/ T. Richmond McPherson III
